Small Acreage Stewardship: Living on the Land

Program Information

This five session course will provide you with information you need to learn to sustainably and productively manage your small acreage property. Expand your knowledge of the interrelationships between water, soil, animals, plants and people.

Dates: 4th Saturday in Feb - May 2010
3rd Saturday in June 2010

Time: 9:00 am - 12:00 pm followed with site visit March to June

Location: The Barn
Barn Beach Reserve
347 Division St.
Leavenworth, WA 98826

REGISTRATION DEADLINE IS FEB. 19

Choose to attend all five sessions or pick the individual sessions you wish to attend.

Cost: \$90.00 - All sessions
\$20.00 - Individual session

- Notes:**
- Course fee includes course materials and refreshments.
 - See opposite side for more registration information.
 - For March - June sessions please bring a lunch and be prepared to travel to field sites.

Class Schedule

February 27 - *Setting the Stage and Inventorying Your Resources*

Become better-prepared to set reasonable goals for your property by identifying existing assets and realizing the potential and responsibilities it holds.

March 27 - *Soil and Water Quality*

Understand soil formation, its physical properties and possible threats to soil stability. Learn how water can become polluted and how to prevent future degradation.

April 24 - *Pasture Management*

Learn to care for your pasture to reduce bare ground and noxious weeds as well as gain an understanding of forage plants.

May 22 - *Don't Forget the Animals*

Understand the proper resources needed for responsible and rewarding animal ownership. Learn to estimate the number of animals your property can support.

June 19 - *Business Opportunities*

Evaluate the resources, goals and feasibility of creating a small business based on your land. Learn ways to access resources available to a small business enterprise.
