I grant Barn Beach Reserve permission to use photos in the Reserve's newsletters or website of me doing volunteer work at the Reserve.

Are you volunteering because a judge, attorney, or other authority has ordered you to?
No _____ Yes _____ (attach explanation and phone number of contact)

Barn Beach Reserve is a new organization. This list will become longer as more programs are added.

Note: All volunteers must undergo a background check.

Please indicate your interests:

Native Nurturer: Seek out and pull invasive weeds, replant with native plants and seed. No experience needed. We will train. Great opportunity to learn how to control invasives and encourage natives, and why it is important.

Bird Observer: Citizen Science project. Monitor our bird feeders according to a set protocol. Should be able to identify common birds, but we will help you increase your skills. Enthusiasm for the project and eagerness to identify birds are the most important qualities we are seeking.

Grounds Patrol: Walk the grounds and seek and gather litter and debris.

Program Presenter: Do you have a special expertise to share with others? A trip you would like to share? We want to present programs about the environment, arts, and cultural history. If you have something to share, please tell us about it.

Class Assistant: Help artists, teachers, and other presenters when we give educational classes for children, students, and adults.

Special Events: Want to help with our Earth Day celebration? Spring Bird Fest kids events? Spring Garden Fest? Wine Fest? Salmon Fest? Call us! (509) 548-0181

Spring Bird Fest Assistant: Need someone with office skills and people skills to help our bird fest coordinator.

Mail completed form to: **BARN BEACH RESERVE**, P.O. Box 2073, Leavenworth, WA 98826
